The Future of Fair airplay & Streaming

WHAT IT IS

Time Share Radio™ is a marketplace for renting, streaming, and monetizing radio airtime. We connect stations with musicians, creators, businesses, organizations and advertisers, so they can fill underused slots and generate new revenue streams instead of dead air.

WHY IT MATTERS

It's the future of fair airplay and streaming revenue — a groundbreaking way for artists, labels, advertisers, and independent creators to legally rent, sponsor, or share radio airtime, with automatic royalty payments and transparent revenue distribution.

First-Mover Advantage

Be part of the new wave of radio and streaming monetization, before the rest of the market catches on. A Direct Conduit for local music artists to local, regional and national to FM Radio Stations of all genres of music to promote ones music, brand or business.

How It Works

Three ways in, one shared airwave.

R

Radio Stations

Monetize unused airtime by renting slots to musicians, creators, labels, or advertisers. — No extra staff required.

A

Artists, Creators & Labels

Get access to a flexible radio station platforms to promote your content and reach listeners directly locally, regional and national. Also, you can create a Artist profile and sell your music in our Radio Station network.

D

Advertisers

Purchase targeted ad slots or sponsor content to reach diverse, local audiences.

Core Benefits

For artists, record labels, advertisers & investors

Revenue	Artists and labels earn from ad revenue, royalties, slot rentals, and music downloads.
Reach	Tap into a wider audience through radio and streaming syndication.
Passive Income	Stations boost income through a fully automated, hands-off system.
Integration	White-label tools and AI-driven revenue optimization for stations.

Revenue Model

Four ways the platform pays out for Radio Stations

Slot Rentals	Flexible pricing per hour of airtime.
Ad Revenue	A share of targeted ads played during show slots.
Subscriptions & Members Tiers	Subscribers and Membership tiers for creators with access to premium music rotation features.
Sponsored Content	Additional income through customized partnerships.
Radio Station Network	Get Music Played on 6 FM Radio Stations in Kansas City KS-MO, Omaha & Lincoln Ne., Las Vegas NV.

Why Choose Time Share Radio™

First-Mover Advantage

Be part of the new wave of radio and streaming monetization. Be part of the new wave of radio and streaming monetization, before the rest of the market catches on.

No Middle Man

A direct conduit to FM radio for artists, labels, producers, advertisers, businesses etc. — nothing standing between you and airtime.

Streamlined Revenue

Automatic online payments, music downloads, ad revenue sharing and transparent revenue distribution system.

Built to Scale

From indie stations to large networks, we've developed a model for local music artists to broadcast on local, regional and national FM Radio Stations of all genres of music designed for growth.

Music Certified & Tracked w) (FCC Section 317) Compliance

Royalties tracked and paid through the industry's standard performing-rights organizations, and airplay charted independently.
